Gentlemen:

It is with great pleasure that the Chief of Construction Division and I present to your firm the ZERO "LOST-TIME" ACCIDENT AWARD in support of our CELEBRATE SAFETY program. This award is based upon your exemplary safety record during the Electric Peaking Plant, Fort Rucker, Alabama. Your company completed this project while achieving the notable goal of ZERO ACCIDENTS. This was made possible by your strong commitment to construction safety through the partnering process, and fulfilling the goals of our CELEBRATE SAFETY program.

Again, thank you for a job well done and congratulations on earning this coveted award.

Sincerely,

William S. Vogel
